

## Works Notification

February 2018

# Gold Coast Light Rail Stage 2

## CONSTRUCTION UPDATE

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

**The Gold Coast Light Rail Stage 2 extension between the Gold Coast University Hospital and Helensvale stations opened for passenger services on Monday 18 December 2017. If you have any questions about ticketing, fares or to plan your journey please visit [Translink.com.au](http://Translink.com.au) or call 13 12 30 anytime.**

### Day Work

The following activities are planned during February, site conditions and weather permitting:

Location	Day Work
Napper Road and Smith Street	<p><b>Parkwood park 'n' ride</b></p> <p><b>The 1000 space Parkwood park 'n' ride facility on Smith Street, opposite Napper Road is now open.</b> Finishing works including drainage, kerbing and asphaltting will continue along with construction of the pedestrian bridge. Pedestrians please use the signalised crossing across Smith Street to access Parkwood station.</p>
Smith Street and Smith Street Motorway	<p><b>Temporary lane closures and speed reductions</b></p> <p>Temporary eastbound lane closures and speed reductions will continue <b>between 10:00am and 4:00pm weekdays (left lane only)</b> to allow for finishing works on the side of the motorway and concrete barriers.</p> <p><b>NOTE:</b> Night works are associated with this activity, see over for details.</p>
Various locations across the project	<p><b>Completion works</b></p> <p>Completion works including the Parkwood station pedestrian footbridge, landscaping, fencing, painting and minor concrete works will continue across all areas of the light rail corridor. For your own safety, passengers and pedestrians should obey all construction and directional signage around work areas.</p> <p><b>Bus stop installation – Parkwood and Parkwood East stations</b></p> <p><b>Please note that the newly upgraded bus stops on Henry Cotton Drive in front of Parkwood East station are now open.</b></p> <p>The upgrade of new bus stops at the front of Parkwood station are still underway on Greenacre Drive and are expected to open in early-February, weather and construction conditions permitting.</p> <p><b>Temporary footpath closure – Driftwood Park to Uplands Drive</b></p> <p>The footpath running from Driftwood Park to Uplands Drive will be temporarily closed to finalise landscaping, concreting and maintenance works for up to two weeks, weather and construction conditions permitting. Alternative walking and cycling routes will be available via Greenacre Drive. These changes must be put into place to ensure the safety of pedestrians, cyclists and construction workers.</p> <p><b>Pedestrians and cyclists will be notified of the timing of the temporary closure via on site signage within Driftwood Park and along the shared path at Uplands Drive closer to the date.</b></p>

## Night Work

The following work needs to be undertaken at night when traffic volumes are at their lowest, site conditions and weather permitting:

Location	Night Work
Smith Street and Smith Street Motorway	<p><b>Temporary lane closures and speed reductions</b></p> <p>Temporary eastbound lane closures and speed reductions on Smith Street and the Smith Street Motorway will continue to allow for finishing works on the concrete roadside barriers.</p> <p>What to expect:</p> <ul style="list-style-type: none"> <li>• Intermittent temporary lane closures between <b>8.00pm and 6.00am (two lanes as required) Sunday to Friday.</b></li> <li>• <b>During these works, the speed limit will be lowered to 60km/h for the safety of motorists and construction workers.</b> Traffic control vehicles and signage to support the lane closures and speed reductions will be in place.</li> <li>• Motorists should expect delays or seek an alternative route.</li> </ul>
Various locations across the project:	<p><b>Completion works</b></p> <p><b>During February night crews will be working across all areas of the alignment undertaking general maintenance and finishing works.</b> Residents may experience some increased noise levels from machinery, including excavators and light vehicles.</p>

## Contact the project team

If you wish to continue to receive project updates after **February 2018**, please register for email updates through one of the following means as we will be moving to a paperless system as finishing works wind up.

For construction related enquiries or to register for more information, please contact CPB Contractors on **1800 425 799\*** or email **gclrstage2@cpbcon.com.au**.
