

## Works Notification

April 2017

### Gold Coast Light Rail Stage 2

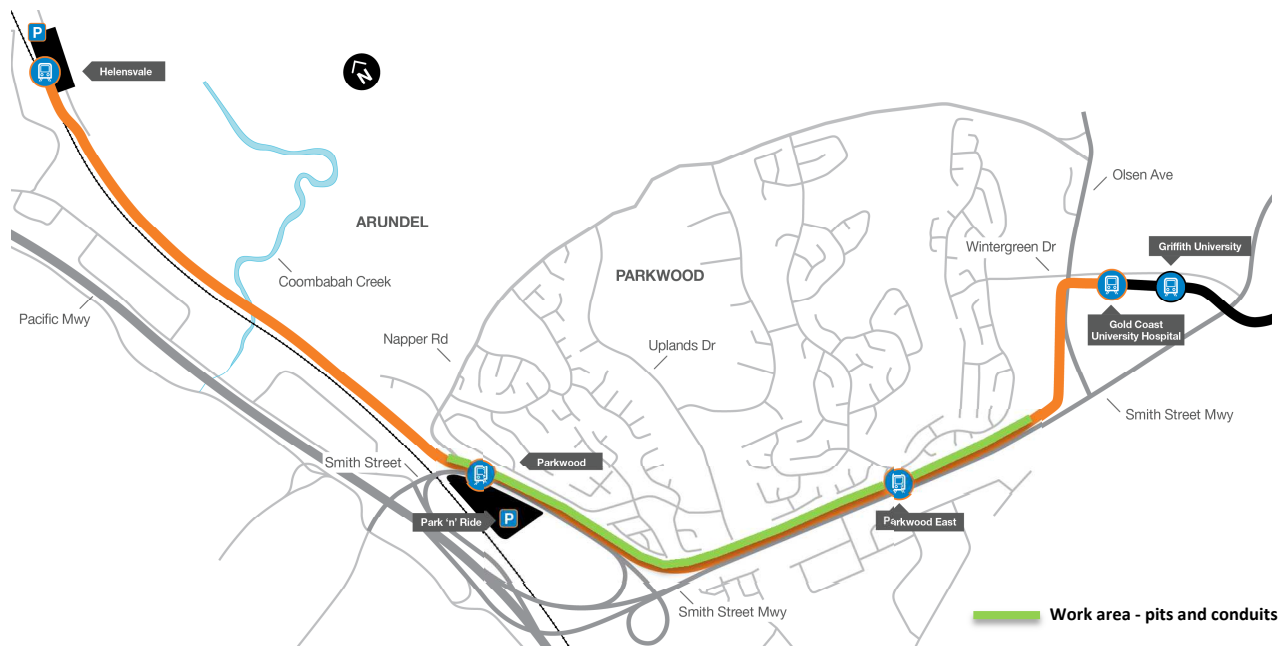

#### INSTALLATION OF COMMUNICATIONS PITS AND CONDUITS, PARKWOOD

To prepare for the installation of track within the light rail corridor work is required over consecutive Sundays to install communication pits and conduits between Napper Road and the Bigger Creek Bridge, Parkwood.

**Works will occur between 8.00am and 4.00pm. Sunday works are schedules to take place on the following dates:**

- **Sunday 23 April 2017**
- **Sunday 30 April 2017**
- **Sunday 7 May 2017.**

**This work is weather dependent and will be carried out on the next available Sunday shift should delays occur.**

#### Work will involve:

- Excavation of trenches
- Placement of conduits within trenches
- Installation of conduit pits and compaction of material within trenches.
- The use of light vehicles, excavators, compaction rollers, graders and water carts

#### What to expect

- This work will be undertaken between 8:00am and 4:00pm.
- Increased noise levels from machinery, including an excavator and compaction roller.
- Light vehicle movements within the project corridor.

Every effort will be made to keep disruption to a minimum for residents and road users. We appreciate your patience during these important works and will continue to update you as work progresses.

## Project information

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors commenced construction in July 2016 and are committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
