

Works Notification

October 2016

Gold Coast Light Rail Stage 2

NIGHT WORK TO RELOCATE AN EXISTING LIGHT POLE

On Wednesday 3 November 2016 night work is required for one night to relocate an existing Smith Street Motorway light pole. This work is weather dependent and will be carried out on the next available night shift should delays occur. For safety, the light pole is required to be relocated to the northern side of the site access point outside normal construction hours, due the volume of vehicles accessing the site.

Work will involve:

- Temporary closure of the left-hand, eastbound lane on Smith Street Motorway near Olsen Avenue, (Biggera Creek). Two lanes will remain open to traffic.
- Traffic control to direct motorists during the lane closure.
- Excavation of a trench to place an electrical conduit to run power to the relocated light pole.

What to expect

- This work will be undertaken between 8:00pm and 6:00am.
- Increased noise levels and vibration from machinery, including an excavator and mobile crane.
- Traffic control vehicles to support the lane closure.

Every effort will be made to keep disruption to a minimum for residents and road users. We appreciate your patience during these important works and will continue to update you as work progresses.

Contact the project team

If you have any questions or would like to register for more information, please contact the CPB Contractors Project Team on **1800 425 799*** or email **gclrstage2@cpbcon.com.au**. Visit **www.gclrstage2.com.au** anytime for more information and updates.

Project information

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldlinQ's construction contractor CPB Contractors commenced construction in July 2016 and are committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
