Works Notification

Gold Coast Light Rail Stage 2

TEMPORARY LANE CLOSURE FOR FOOTPATH CONSTRUCTION

From the week commencing Monday 15 August 2016, CPB Contractors will commence construction of a temporary footpath along Greenacre Drive between Lucille Ball Place and Uplands Drive as part of the Gold Coast Light Rail Stage 2. This work will require the closure of the westbound lane during construction hours for approximately one week, weather permitting.

Closure of the lane is required to ensure the safety of pedestrians, motorists and construction workers.

During the lane closure, two way traffic will be maintained under traffic control.

The temporary footpath will maintain a pedestrian and cycle link around the closed footpath along the Smith Street Motorway.

Works will involve:

- Temporary closure of the westbound lane on Greenacre Drive between Lucille Ball Place and Uplands Drive.
- Placement of temporary fencing around work area.
- Location and protection of utility services.
- Traffic control to direct motorists during construction works.
- Installation of signage to direct pedestrians and cyclists.
- Stripping of topsoil and grassed area (existing street trees will remain in place).
- Construction of footpath foundation using excavators and compactors.
- Laying and compaction of asphalt.
- Installing formwork and pouring concreting to construct accessibility ramps.

What to expect

Construction work will occur between 7:00am and 6:00pm, Monday to Saturday. Workers may arrive onsite between 6.00am and 7.00am to prepare for the day's activities.

During construction, you may notice some changes around your local area such as:

- Increased levels of localised noise and dust from the use of heavy machinery and equipment.
- Increased construction vehicle movements on local roads and within the project corridor.
- Delivery of plant, materials and equipment to the project corridor.

Every effort will be made to keep disruption to a minimum for residents and road users. We appreciate your patience during these important works and will continue to update you as work progresses.

Contact the project team

If you have any questions or would like to register for more information, please contact the CPB Contractors Project Team on **1800 425 799*** or email **gclrstage2@cpbcon.com.au**. Visit **www.gclrstage2.com.au** anytime for more information and updates.

Project information

Gold Coast Light Rail Stage 2 involves the design and construction of a new 7.3km route which runs from Helensvale heavy rail station adjacent to the Gold Coast Line, then adjacent to the Smith Street Motorway to connect with Stage 1 at the Gold Coast University Hospital light rail station.

GoldLinQ's construction contractor CPB Contractors commenced construction in July 2016 and are committed to completing the project in time for the Gold Coast 2018 Commonwealth Games.
