

Keep up-to-date with the progress of Queensland's first contemporary light rail at www.goldlink.com.au or call the project on 1800 967 377*
*Free call within Australia. Call charges may apply from mobile phones and payphones.

GET READY, GET SET, GO!
Light rail is now on the Gold Coast

G:link

LITTLE TRACKERS ACTIVITY PACK

Did you know?
Each Gold Coast tram will be able to carry 309 people, equivalent to six standard buses.

Get ready
Get set
GO

Powering Up
Overhead wires become live with electricity.

Tram Movements
Trams will be tested on the tracks.

Passenger Services
After testing is finished you can catch the tram.

Did you know?

The trams are about half the length of a football field at 43.5m long and weigh more than 60 tonnes - that's as much as two humpback whales!

Always look out and listen for trams!

Words of the Tram

Find the words below in the wordsearch.

Walk**

Play in the playground, not on the tram tracks or under the electricity wires!

Never ride or walk along the tram tracks!

Tongue Twister

(try and say this phrase three times fast)

Tom travelled the tracks on the two-twenty-three tram

Did you know?

The Gold Coast Light Rail is the first in the world to have specially designed surf board racks!

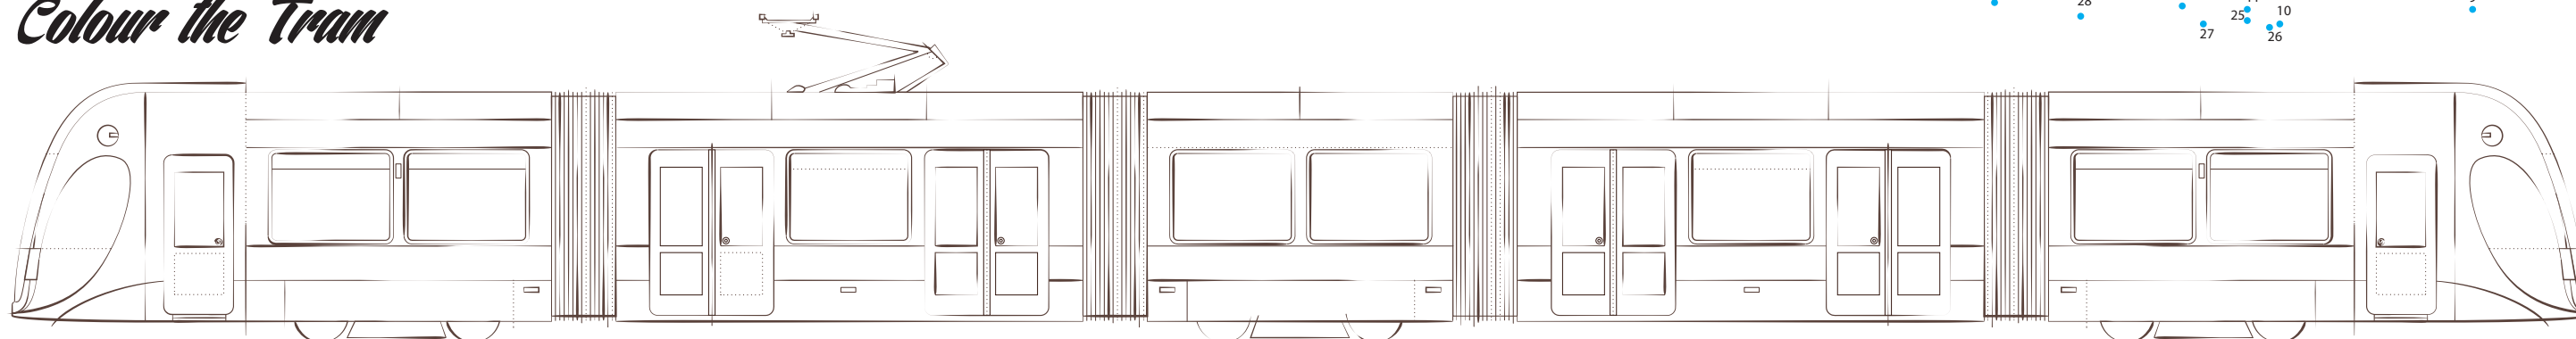

If something is stuck in the overhead wires never try to get it!

LIGHT RAIL LESSONS

- Stay alert and watch for trams.
- Look up for overhead electricity wires.
- Stay off the tracks.
- Cross at traffic lights or zebra crossings.

Colour the Tram

Connect The Dots

Start at 1 and trace the dots all the way to number 68.
